Splendid support for Motor Neurone research

Bingo on the green was again a huge success at Ebernoe. The support from the many folk who remembered our friend Maria Dabbs, led to a wonderfully successful evening which raised £1300 for such a great cause. This is to be followed by the final of the stoolball knockout tournament which is at Ebernoe for the fourth year . Again the barbecue and raffle will raise funds for Motor Neurone.

Lammas

This is one of the four agricultural services we celebrate. Lammas (from the Old English ,hlafmaesse) celebrates the harvest of the first wheat . We take to church the loaf which is blessed and eaten with Holy Communion. Historically the priest went into the field and cut the wheat sheaf which was made into bread. ***Next Page...***

Ann Cont...

We do not expect John Bundock to have to gather the wheat but will do it for him! The custom was particular to countries in the northern hemisphere, especially in Scotland. It brings it home to us that we live in a society where we decide on our food requirements and just go along to a supermarket. Historically food supply would have been very diminished before harvest of the first grain and the celebration of the first grain was a huge relief.

This festival of Lammas brings it home to us that we should value our wonderful food supplies and celebrate our harvests.

St. Swithun. Shall we get some summer ?.

Swithun was a Bishop of Winchester who died in 862 AD. He decreed that he wished to be buried so that passers by could walk over his grave at all times and in all weathers. Later his grave was moved into the cathedral. Following this there was tremendous storm and wind for 40 days until he was moved outside again.

St. Swithuns day is July 15th

Hence the legend and the poem.

“St. Swithuns day if thou dost rain,

For forty days it will remain,

St. Swithuns day if thou be fair

For forty days it will rain no more”

Lets hope St. Swithun and the jet stream work some magic this year!

Thanks to all.

It is so important that we thank all who do so much for Ebernoe. Much is unsung effort. The cutting of the church yard is a huge task. It is so lovely that the wildflowers are encouraged to seed before cutting back.

The cricket green looks amazing for Horn Fair every year. This year was very challenging because of the horrible wet winter and spring. I know David Whittington was really worried about how the ground could be prepared when any machinery would have sunk in to the mud. However, thanks to the terrific effort the ground looks as immaculate as ever.

The next Parish Council Meeting is on Thursday 5th September 2024 at 8pm at the Village Hall. All are welcome to attend and there will be time set aside as usual for any questions. A new tree will be planted to replace the Horse Chestnut tree which was felled due to disease last year on the land adjacent to Barns Close. Nathan Blatherwick has done an amazing job with carving the stump of the old tree. The Parish Council hopes it captures imaginations and residents agree it is something truly special for Northchapel. Thank you, Nathan.

Northchapel was lucky enough to be part of Seaford College's Community Day. Its students helped clear the garden and do some painting at the primary school, they cleared around the

Sports Pavilion and patio and did some clearance works around the Lime trees by the Church. Thank you to all those involved. It is wonderful to see the Village Shop back open. Vish and his family have certainly worked extremely hard to get this opened as promised by the end of June. The Parish Council is sure everyone who visited on its open morning or since will agree that he has brought this fantastic asset and amenity back to the village, something many thought, was lost forever. Please support Vish and remember to only park in the lay-by if you are visiting the shop as the shop needs the passing trade too.

Please may all landowners be reminded that they are responsible for maintaining hedges and trees bordering our parish roads.

There is much overgrown vegetation throughout the parish and although we have to be mindful of the bird nesting season, if the hedges or trees are causing a serious problem or an obstruction then it is lawful to deal with it.

Likewise with ditches and any watercourse on your land – riparian owners have the responsibility to maintain. If you are not sure where exactly the border of your land is, there are various ways you can find out; from having a chat with your neighbours and checking your property deeds or contacting the Land Registry.

The Wood Carver (Thank you Nathan!)

I saw this piece of wood one day, I picked it up and it seemed to say, there's something hiding inside of me, remove some chips and you will see.

I looked to see what I might find, and soon an image came to mind, my task was now to set it free, what's hidden in this piece of tree.

With loving care each cut was made, wood peeled off with a sharp edged blade, and as each chip fell to the floor, I could see the object more and more.

With one final cut it was set free, my work of art for all to see.

This piece of wood which would just lay, and see it's body soon decay, was now transformed and given life, with careful cuts of gouge and knife.

By carving something from this tree, it lives again because of me!

The Cleaning of St Michael's Church

We appreciate that Saturday mornings are not always easy, especially if you have children, but it would be very much appreciated if you could let me know when you would be able to help us.

If we had enough volunteers we could freshen up the church every other month, or even every third month. Coffee and biscuits are provided to sweeten the chores, and we'd love to make this more of a social event, perhaps with wine and bacon baps, but please make no mistake, **WE NEED YOUR HELP!**

If we are going to keep our church doors open, we really must care for it. Is one or two hours at a convenient time too difficult? I will provide all cleaning materials, so there are no costs to you!

If you are able to help please call Virginia on 01428 707268 or 07947389641 or email virginiamorgan@sky.com
